**I. Description of Operations Financed:** The Support for International Sporting Competitions (SISC), Defense appropriation is a no-year appropriation from which DoD may provide/fund assistance for certain sporting events.

Under the provisions of 10 U.S.C., section 2564, at the request of a Federal, State or local agency responsible for providing law enforcement services, security services, or safety services, DoD has the authority to provide assistance for the World Cup Soccer Games, the Goodwill Games, the Olympics, and any other civilian sporting event if the Attorney General certifies that such assistance is necessary to meet essential security and safety needs. The Department can also provide support to the Special Olympics, the Paralympics, a sporting event sanctioned by the U.S. Olympic Committee, through the Paralympic Military Program, and any national or international Paralympics sporting event that meet certain requirements outlined in 10 U.S.C. § 2564, as amended by P.L. 110-181 § 372. Support to these events does not require certification from the Attorney General.

DoD can also provide assistance to sporting events not defined in the statute but only (1) to the extent that such needs cannot be reasonably be met by a source other than the Department; (2) to the extent that the provision of such assistance does not adversely affect the military preparedness of the armed forces; and (3) if the organization requesting such assistance agrees to reimburse the Department for amounts expended by the Department in providing the assistance.
