This reprogramming action is required because it affects two congressional interest items. The action realigns funding for proper program execution. The realignment does not change the purpose for which the funds were originally appropriated. This action meets all administrative and legal requirements of the Congress and has not previously been denied by the Congress.

**Procurement of Weapons and Tracked Combat Vehicles, Army, 01/03** :

Budget Activity 1: Tracked Combat Vehicles

BFVS Series (MOD)	59,142	59,142	+5,000	64,142
Bradley Base Sustainment	431,689	431,689	-5,000	426,689

Explanation: The Congress provided \$7 million in the Bradley Base Sustainment Program (BBSP) for Bradley A2 ODS modifications, which have historically been funded on the Bradley Series (MOD) Line. The Congress also added \$2 million in the Bradley Series (MOD) Line for Direct Support Electrical Systems Test Sets (DSESTS), which have historically been funded in the BBSP. This action realigns funding for proper execution. The net result of this realignment is an increase to the BFVS Series (MOD) Line of \$5.0 million and a decrease to the BBSP of \$5.0 million.
