This reprogramming action transfers funds between appropriations for proper execution. The reclassification is required to execute funds properly in accordance with congressional intent. These actions are determined to be necessary and in the national interest. These actions do not change the purpose for which the funds were originally appropriated. This reprogramming action meets all administrative and legal requirements, and none of the items have been previously denied by the Congress.

This reprogramming action transfers \$300.5 million from the Operation and Maintenance, Defense-Wide, 21/21, appropriation to the Services' Operation and Maintenance, 21/21, appropriations to improve the Department's military readiness. These funds are transferred pursuant to section 8133 of division C of Public Law 116-260, the Department of Defense (DoD) Appropriations Act, 2021.
