## CHAPTER 10

**SPECIAL PAY - DUTY SUBJECT TO HOSTILE FIRE  
OR IMMINENT DANGER****\*1001 GENERAL****\*100101. Overview**

This chapter prescribes the policy for payment of imminent danger and hostile fire pay and the areas that members are authorized to receive these entitlements.

**\*100102. Authoritative Guidance**

Authoritative guidance information for this chapter is located in the bibliography.

**1002 ENTITLEMENT PROVISIONS****100201. Policy**

A member may be paid special pay for duty subject to hostile fire or imminent danger for any month when the member, while entitled to basic pay for active duty or compensation for inactive duty, also meets the qualifying criteria of this chapter. A member is not authorized to receive concurrent payments for hostile fire and imminent danger duty.

A. Hostile Fire Pay (HFP). This entitlement is paid at the rate of \$225 per month when, as certified by the appropriate commander, a member is:

1. Subjected to hostile fire or explosion of a hostile mine; or
2. On duty in an area in close proximity to a hostile fire incident and the member is in danger of being exposed to the same dangers actually experienced by other Service members subjected to hostile fire or explosion of hostile mines; or
3. Killed, injured, or wounded by hostile fire, explosion of a hostile mine, or any other hostile action.

B. Imminent Danger Pay (IDP). This entitlement is paid on a daily prorated basis not to exceed \$225 per month when a member is on official duty in a designated IDP area (Figure 10-1).

**100202. Payment**

Effective December 31, 2011, IDP is payable on a prorated daily basis not to exceed a monthly rate of \$225. It is payable in addition to all other pays or allowances, except when

receiving HFP as stated in paragraph 100201. The proration does not apply to the 31st of a month for Active and Reserve component members who are on active duty for 30 days or more. HFP will not be prorated. Members will receive the maximum monthly rate of special pay for the month in which the hostile fire or hostile fire mine explosion event occurred. Payment will be made for the full month if a member is exposed to hostile fire or a hostile mine explosion on the 31st day of a month and the member had not already received credit for the full monthly allowance. The following examples for payment on the 31st are provided:

Example 1: A member on active duty for more than 30 days in an IDP area for the period March 31 through April 29 will receive IDP only for the period April 1 – 29.

Example 2: A member on active duty for more than 30 days in an IDP area for the period March 31 through April 29, and is exposed to hostile fire or a hostile mine explosion on March 31, will be entitled to HFP for the entire month of March and IDP for the period April 1 - 29.

Example 3: A member on active duty for less than 30 days in an IDP area for the period March 29 through April 20 will be entitled to IDP for the period March 29 through 31 and April 1 through 20 for a total of 23 days.

Example 4: A member on active duty for less than 30 days in an IDP area for the period March 29 through April 20, and is exposed to hostile fire or a hostile mine explosion on March 31, will be entitled to the full monthly amount of HFP of \$225 for the month of March, and daily IDP for the period April 1 to 20.

### 1003 DETERMINATIONS OF FACT

#### 100301. Eligibility

The appropriate commander will certify that the member has met the requirements for entitlement to HFP for a given month.

A. Certification of entitlement will be made at the lowest level of command that includes all the vessels, aircraft, or units subjected to the hostile fire or explosion of hostile mine incident. For example, in the case of a single vessel subjected to hostile fire or explosion of hostile mines, the vessel's commanding officer should certify payment eligibility for all Service members on board. If two or more vessels are involved, then the commanding officer of the unit that includes all of the vessels should certify eligibility.

B. Certification will include the name and social security number of each member entitled to the hostile fire pay, a short description of the incident, and when and where it occurred. The certification should be forwarded directly to the servicing financial support office, with a copy to the cognizant regional combatant commander.

C. When the airspace is specifically included in an IDP area designation, members who perform official duty while flying over the area are eligible for IDP, even if they

do not land in the area. When airspace is not specifically designated, members who perform duty over the area are not entitled to IDP unless they land in the area.

D. Members who perform duty on a vessel performing operational duty while in an area designated for IDP are eligible for IDP payments.

E. A death certificate or injury report may be substituted in place of the certification if the document establishes the cause of the death or injury was due to hostile fire or an explosion of a hostile mine.

F. A member is not considered to be on official duty in a designated IDP area and, therefore, is not eligible for IDP pay if the member is in the area:

1. On leave from a duty station outside the IDP area, even if the outside location is another IDP area; or

2. While merely transiting (as distinguished from performing official duty) by any means (including vessel, aircraft, and land conveyance) the IDP area as a consequence of traveling between two points, both outside the IDP; or

3. Solely for personal convenience.

#### 100302. Administration

Any determinations of fact made by commanders in the certification of hostile fire are conclusive. Such determinations are not subject to review by any officer or agency of the government, unless there has been fraud or gross negligence. Such determinations, however, may be changed on the basis of new evidence or for other good cause.

### 1004 SPECIAL SITUATIONS

#### 100401. Member Captured or Missing

A member entitled to HFP/IDP immediately before entering a status of missing, missing-in-action, interned in a foreign country or captured by a hostile force will continue to be credited with HFP/IDP for each month while in such a status. (See Chapter 34 for more detailed instructions.)

#### 100402. Hospitalization

A member entitled to HFP/IDP, who is hospitalized for a wound or injury incurred as a result of hostile action, or while in the line of duty, incurs a wound, injury, or illness in a combat operation or combat zone designated by the Secretary of Defense and is hospitalized outside of the theater of the combat operation or the combat zone for the treatment of the wound, injury, or illness, is entitled to HFP/IDP for each month hospitalization continues, up to an additional 3 months after the month in which the wound, injury or illness occurred.

## 100403. Absences

The following examples are provided for absences from the IDP area:

- A. A member who takes leave in the IDP designated area that the member is assigned for duty remains entitled to the payment of IDP.
- B. A member who takes leave in an IDP area that the member is not assigned for duty is not eligible for the payment of IDP. See subparagraph [100301.F.1](#).
- C. A member who takes leave in an area not designated as an IDP area is not eligible for the payment IDP for the period of the absence.
- D. A member assigned for duty in an IDP area who performs temporary duty in an area not designated as an IDP area is not eligible for the payment of IDP for the period of absence.

## Figure 10-1. Designated Hostile Fire or Imminent Danger Pay Areas (Continued)

**NOTES:**

1. The designation of a land area encompasses all internal waters, unless otherwise noted. For HFP/IDP purposes, the term “internal waters” is defined as waters landward of the baseline drawn in accordance with international law.
2. The designation of a water area (such as the Persian Gulf) includes the territorial seas of those waters, but not the internal waters of the coastal lands. For example, all waters of the Persian Gulf seaward of the baseline of the coastal states, drawn in accordance with international law, would be included in the Persian Gulf designation.
3. Unless otherwise specifically indicated, airspace is NOT part of the included area. When airspace is specifically included, it will normally be that space directly vertically above the approved land or sea area.
4. This figure reflects all designated areas, which were active within the last ten years.
