CHAPTER 6

PERMANENT DUTY TRAVEL

0601 GENERAL

060101. Purpose

This chapter provides general policy for the preparation, submission, and processing of permanent duty travel (PDT) claims for travelers. There are a number of PDT benefits or allowances that Department of Defense (DoD) members and civilian employees may be authorized when traveling from one Permanent Duty Station (PDS) to another at the direction of the Service or agency for which they are working. Some relocation allowances must be paid to the employee, while other allowances are paid at the discretion of the DoD component. An employee's specific PDT allowances may not include all of the allowances identified and described in this chapter. To determine what is actually allowable, employees must work with the agency sponsoring the travel/move. [See the Joint Travel Regulation \(JTR\), section 0536 for more information about mandatory and discretionary relocation allowances.](#)

060102. Authoritative Guidance

This chapter provides guidance under authorities contained in the JTR, and the General Services Administration (GSA) Federal Travel Regulation ([FTR](#)).

0602 DEFENSE TRAVEL SYSTEM (DTS)

The DTS does not currently support PDT, and should not be used by DoD travelers for arranging travel or settling claims involving PDT.

*0603 TRANSPORTATION AND STORAGE OF HOUSEHOLD GOODS (HHG)

Ordinarily, the Government arranges for the shipment of HHG. When DoD personnel arrange for the shipment themselves and a Government bill of lading (GBL) is the authorized method, the Transportation Office(r) (TO) provides information concerning the traveler's allowable expenditures and computes the amount the shipment would have cost the Government. Civilian employee reimbursement is limited to the actual cost incurred not to exceed the Government cost computed by the TO. When the commuted rate is the authorized method of shipment for a civilian employee, payment must be computed based on the GSA Commuted Rate [Table](#) regardless of the actual cost of the move. Service members may be paid a monetary allowance equal to 100 percent of the Government's constructed cost. If the TO instructs a Service member in writing to personally arrange HHG transportation, or if a TO is not available, payment must be made for the actual costs incurred to procure authorized services up to the maximum allowable weight allowance. See the JTR, Chapter 5, Part C, for Service members, and Chapter 5, section 0543, for civilian employees.

060301. Commuted Rate Method

When a DoD employee is authorized to ship HHG at the commuted rate, the payment must be computed using the GSA Commuted Rate Table in effect on the date the carrier picked up the HHG, or the date that the employee actually moved the HHG without regard to Government cost. Certified weight tickets or a constructed weight must support the claim in accordance with JTR Chapter 5, subparagraph 054305.E.4.

060302. Personally-Procured Move (PPM) Monetary Allowance

A Service member or a deceased member's next of kin may elect to personally-procure HHG transportation and be paid a monetary allowance of 100 percent of the Government's "Best Value" cost for the actual HHG weight transported up to the maximum authorized weight allowance. The member must have orders authorizing PDT, temporary duty (TDY) with HHG entitlement, or a short distance HHG move in accordance with JTR Chapter 5, section 0519. The TO will provide the member with a [*DoD \(DD\) Form 2278*](#), Application for Do-It-Yourself Move and Counseling Checklist. This form shows the constructive GBL or contract cost for moving the HHG, based on a weight estimate provided by the traveler. A Service member, or next of kin who personally arranges for HHG transportation without going through a Government transportation office is responsible for all issues and costs related to circumstances outlined in the JTR, Chapter 5, subparagraph 051502.A.

A. Impact on Other PDT Allowances. Service members and/or dependents traveling to their destination in a rental or privately owned vehicle (POV) used for a PPM are authorized both a PPM monetary allowance and PDT allowances. The PDT allowances are not part of the PPM monetary allowance program and are separately processed.

B. Claims. No PPM monetary allowance claim can be computed without valid weight tickets or an approved constructive weight by the TO. Claims for PPM monetary allowances must be supported with:

1. The Service member's statement of expenses actually incurred;
2. Certified weight tickets (original or copy) for gross and empty weights, or a record of the approved constructive weight by the TO; and
3. A record of the weight shipped with any other record of shipment or storage under the same travel order.

C. Payment Procedures. Pay PPM monetary allowance claims in accordance with each Service's procedures. Service addresses for PPM monetary allowance claims are found in subparagraph 060302.D. Compute the personally-procured monetary allowance claim as follows:

1. Obtain the GBL cost or local contract cost from the TO. Multiply this cost by 100 percent to obtain the maximum entitlement dollar amount;

2. Deduct the expenses actually incurred by the Service member from the maximum entitlement dollar amount. The resulting dollar amount is the member's incentive payment;

3. Multiply the member's incentive payment by the applicable Federal tax withholding percentage. This amount is withheld for Federal Income Tax Withholding (FITW);

4. If the member's state of legal residence has a [withholding](#) agreement with the Secretary of the Treasury, multiply the member's incentive payment by the applicable withholding percentage. This amount is withheld for State Income Tax Withholding (SITW) (Title 5, United States Code (U.S.C.), sections [5517](#) and [5520](#) and Title 31, Code of Federal Regulations (CFR), [part 215](#)). The Treasury Financial Manual (TFM) Volume 1, Part 6, Chapter 5000, [Appendix 2](#) lists states with a [withholding](#) agreement;

5. Deduct the FITW and SITW amounts from the incentive payment amount to determine the amount payable to the member;

6. Deduct any advance operating allowance paid to the member. The amount remaining after deducting the advance is the dollar amount payable to the member for settlement; and

7. Prepare Internal Revenue Service (IRS) Form W-2, Wage and Tax Statement. Insert the incentive portion of the personally-procured monetary allowance move payment in the earned income block, insert the FITW in the FITW block and insert the SITW in the state income tax block.

*060303. Actual Expense Reimbursement for Personally-Procured Shipment or Storage of HHG

A. Claims.

1. [Civilian employees](#) may claim actual expense reimbursement for personally-procured shipment or storage of HHG and unaccompanied baggage.

2. [Service members](#) may claim actual expense reimbursement for personally-procured shipment of unaccompanied baggage and storage of HHG. In most circumstances Service members choosing to personally-procure shipment of HHG must submit a PPM monetary allowance claim rather than an actual expense claim. See the JTR, Chapter 5, paragraph 051502 for the limited circumstances when Service members may claim actual expense reimbursement for personally-procured HHG shipment.

3. The claims must include the traveler's certification as follows: "I certify that this shipment (including drayage, storage, packing, and crating) consisted of household goods and personal effects. These items belonged to me and were used by me (or my dependents) before the effective date of my orders. They were not intended directly or indirectly for any other person or persons, or for sale. The following shipments were previously made at Government expense under the same travel orders that support this claim (if no previous shipments show "NONE"). I certify that I did not request payment under the monetary allowance or any other program. I further certify that the declared professional books, paper, and equipment belong to me and are necessary in the performance of my official duties."

B. Supporting Documents. The traveler must submit the following documents to support a claim for actual expense reimbursement:

1. A statement provided by the TO on the constructive cost of shipment by GBL, accessorial services, or storage which states that the charges claimed are reasonable and that the member was instructed personally to arrange the shipment (if applicable);

2. Receipts for expenses of \$75 or more;
3. When applicable, copies of a time extension certificate, powers of attorney or written authorizations;
4. The claimant's statement showing the necessity for any storage:
 - a. Over 90 days for a Service member, or
 - b. Over 90 days for a civilian employee making a PCS move to/from Outside the Continental United States (OCONUS), or
 - c. Over 60 days for a civilian employee making a PCS move within the Continental United States (CONUS).

NOTE: Non-availability of Government storage is not an acceptable reason for requesting storage over the 90/60 day limit.

5. For shipments by van carriers, provide a certified weight ticket. In place of certified weight tickets, where charges are based on cubic measure, the owner may obtain a certificate from the carrier stating: "No scale within 10 miles. Shipment used _____ cubic feet of properly loaded van";
6. An itemization of packing charges that shows size, type, and number of containers used with the charge for each container;
7. Receipts for packing, crating, drayage, unpacking, and uncrating that are itemized and supported with a statement by the TO for the area on availability of Government facilities;
8. A bill of lading. If no bill of lading is available, the traveler must obtain other evidence showing point of origin and destination;
9. An itemization of costs incurred if the TO performs or procures the services. This is not required for accessorial services itemized on a GBL for line-haul van shipment; and
10. Copies of all applicable orders.

C. Claim Submission. Submit the travel settlement voucher, DD Form 1351-2, Travel Voucher or Subvoucher, within 5 working days of arrival at the new PDS.

D. Payment. If the claim is proper and supported by the appropriate documentation, the disbursing office must pay the claim.

0604 TRANSPORTATION AND STORAGE OF POV

060401. Concurrent Travel Transportation

If overseas travel with a POV was concurrent, a traveler must include travel to the vehicle port of embarkation (POE) and the vehicle port of debarkation (POD) with the PDT claim. See the JTR, Chapter 5, section 0530 for Service members, and Chapter 5, section 0547 for civilian employees, for POV transportation and storage guidance.

060402. Nonconcurrent Travel Transportation

If travel is not concurrent, travelers must submit a separate claim. A TDY order is not required for a separate trip to pick up or deliver a vehicle to the POE and/or the POD. (NOTE: The PDT orders provide [authorization](#).) Ordinarily, a [DD Form 788](#), Private Vehicle Shipping Document for Automobile, supports the claim. However, when a traveler performs PDT and has a commercial shipping firm process the vehicle for shipment at Government expense, the DD 788 usually is not in the traveler's possession at the time that the claim is processed. A statement from the traveler, accompanied by a copy of the billing from the commercial firm, is acceptable.

060403. Storage

Service members ordered to a foreign [or non-foreign](#) PDS OCONUS to which transportation of a POV is [not permitted](#), sent TDY on a contingency operation for more than 30 days, or other reason(s) listed in the JTR, Chapter 5, section 0532, may be eligible to store one POV.

0605 TRANSPORTATION OF MOBILE HOMES

060501. Employee Allowances

A. General. A DoD employee may be authorized mobile home transportation in lieu of transportation of HHG, but may not be authorized both mobile home and HHG transportation. The constructed cost to transport a mobile home, any HHG removed from the mobile home, and unaccompanied baggage and additional HHG to the new PDS for the civilian employee's use is limited to the Government's "Best Value" cost of the civilian employee's maximum PCS HHG weight allowance between authorized points. See the JTR, Chapter 5, section 0544. The TO determines what the authorized and unauthorized costs are incident to a mobile home shipment. See the JTR, Chapter 5, section 0544.

B. Claims. When movement of a mobile home is made by self-procured commercial transportation, a statement of authorization is issued by the TO. An original or legible copy of the paid bill from the commercial transporter is required and the bill must be completely itemized to preclude any payment of unauthorized costs.

060502. Member Allowances

A. General. A Service member directed to perform PDT is entitled to transportation and mobile home allowances. A member also may be entitled to movement of a mobile home under unusual or emergency circumstances, even though not related to PDT allowances. When a member performs TDY en route, the authorized shipment of a TDY weight allowance does not preclude the entitlement to transportation of a mobile home. The transportation entitlements, as well as the conditions of eligibility, are contained in the JTR, Chapter 5, Part D.

B. Claims. The preparation of claims and submission of supporting documentation is as required by Service procedures.

0606 DISLOCATION ALLOWANCE (DLA)

DLA is paid to members as specified in the JTR, Chapter 5, section 0505. If a change of grade occurs between the issue date of orders and the effective date of orders, a copy of the promotion/demotion orders may be submitted with the claim versus an amended order.

060601. Effect of Assignment to Quarters

A member without dependents, who is above the pay grade of E-5, may receive DLA if the member elects not to occupy assigned quarters of the United States or a housing facility under the jurisdiction of a uniformed service, and the quarters or facility do not meet the minimum adequacy standards established by the Secretary of Defense for members in such grade. Do not advance or pay DLA to a member under these circumstances without a statement from the gaining organization that assigned quarters do not meet the minimum adequacy standards. [See the JTR, Chapter 5, subparagraph 050505.B.](#)

060602. Sea Duty

The senior spouse of a member married to member couple without dependents in a pay grade below E-6 who elect not to occupy assigned shipboard quarters may be advanced or [is paid DLA in accordance with](#) based on guidance contained in the JTR, Chapter 5, [Table 5-11, Rule 2](#)

0607 CIVILIAN MISCELLANEOUS EXPENSE ALLOWANCE (MEA)

The flat payment MEA amounts for civilian employees do not require receipts or itemized statements. When a DoD civilian employee claims MEA expenses in excess of the flat payment MEA amount, the approving official may approve them [subject to the limitations in the](#) JTR, Chapter 5, section 0541. [The civilian personnel office](#) assists in the determination of the allowable expenses.

0608 CIVILIAN TEMPORARY QUARTERS SUBSISTENCE EXPENSE (TQSE)

A DoD employee's PDT orders must authorize the initial TQSE period and specify whether the Actual Expense (AE) method or the Lump Sum (LS) method is authorized. Additional periods

of TQSE (AE) require amended orders. The employee must provide a statement in advance selecting TQSE (LS), which certifies that TQSE expenses will be incurred. The disbursing office does not determine the number of TQSE days authorized. For TQSE (AE), expenses must be itemized on a per meal and per item basis. Receipts are required for all TQSE (AE) expenses as specified in the JTR, Chapter 5, subparagraph 054206.C. Additionally, the DoD employee can claim grocery costs for at-home meals when in a TQSE (AE) status. Divide the total cost of consumable groceries by the number of at-home meals consumed. The proration of groceries is authorized so long as the cost of the groceries consumed is reasonable. The approving official makes the final determination on any question(s) concerning the reasonableness of expenses during a TQSE (AE) period. Advances and payments for TQSE are based on the provisions of the JTR, Chapter 5, paragraph 054207.

0609 CIVILIAN HOUSE HUNTING TRIPS

If authorized in their travel orders, DoD employees may make house hunting trips, not to exceed 10 consecutive days. [From March 13, 2019 to December 31, 2021, additional travel days may be authorized if flights are delayed, cancelled, or changed for reasons beyond the employee's control. See FTR Bulletin 20-06 and FTR Bulletin 21-04.](#) The employee and spouse may travel separately or together; however, the cost cannot exceed one round trip for travel together. The number of days for house hunting that the employee uses does not limit the number of days for the spouse (e.g., the employee can take 4 consecutive days and the spouse still could use up to a total of 10 days). Advances and payment for house hunting trips are based on the prescribed locality per diem rate, when paid under the lump sum method. Under the [Lodging Plus](#) method, the standard CONUS per diem rate applies. For more information on house hunting trips, see the JTR, Chapter 5, section 0540.

0610 CIVILIAN REAL ESTATE TRANSACTIONS

061001. Reimbursement Due to the Sale and Purchase of a Residence or for Settling an Unexpired Lease

DoD employees may be reimbursed for expenses required for the sale and purchase of a residence, or for the settlement of an unexpired lease, in connection with PDT. Settlement claims for transactions regarding a sale, purchase, or lease termination, must be submitted following completion of these transactions. See the JTR, Chapter 5, section 0545.

A. Reimbursement of Expenses for the Sale and Purchase of a Residence. The employee must file a [DD Form 1705](#), Reimbursement for Real Estate Sale and/or Purchase Closing Cost Expenses. Separate DD 1705's are required for expenses at the old duty station and at the new duty station. Copies of the supporting documentation showing costs incurred must be attached. The approval authority must approve the appropriate DD 1705 in accordance with Component regulations for real estate transactions at the old and new stations. The claim must be submitted in accordance with the JTR, Chapter 5, section 0545.

B. Reimbursement of Expenses When Settling an Unexpired Lease. The employee files a claim using the DD 1351-2. The following documentation must be provided to [to](#)

[meet the conditions in the JTR, Chapter 5, paragraph 054507](#) when filing a claim for reimbursement of an unexpired lease:

1. A copy of the lease prescribing the penalties or other costs that are payable if occupancy is terminated prior to the lease expiration date;
2. A statement of the extent of legitimate attempts made to avoid penalty costs if the lease includes a savings provision for subleasing, or making other arrangements to avoid penalty costs; and
3. An itemized list of expenses along with the paid receipts for each expense item, and any necessary explanations for clarification of penalty costs.

061002. Home Marketing Incentive Payment (HMIP)

The document submitted for payment of HMIP may be a locally-developed form used as an attachment to the travel settlement claim, DD 1351-2. The form, at a minimum, must contain the following information:

- A. Employee's name (last, first, middle initial);
- B. Employee's Social Security Number;
- C. Employee's present position, title, grade;
- D. Employee's current organization;
- E. Employee's current duty phone;
- F. Computation of HMIP to include the final payment amount (the relocation services company must complete the amended sale transaction and submit the employee's real estate invoice for payment before the computation can be completed);
- G. Traveler's signature; and
- H. Order approving official's signature.

061003. HMIP Income Tax Considerations

HMIP is considered income, and a W-2 must be processed showing the taxes withheld and the employee income. No authority exists to pay either a withholding tax allowance (WTA), or a relocation income tax allowance (RITA) to offset the Federal, state, and local income taxes on the incentive payment. Payment offices must obtain an approved document (as described in paragraph 061002) with a DD 1351-2 and a valid copy of PDT orders for payment.

0611 PAYMENT OF TRAVEL VOUCHERS INVOLVING OCONUS PERMANENT DUTY ASSIGNMENT FOR DOD CIVILIAN EMPLOYEES**061101. Proceeding To, or Round Trip Travel From, an PDS OCONUS**

Reimbursement vouchers for travel to a PDS OCONUS under an original agreement, or for round trip travel from a PDS OCONUS under a renewal agreement, must be prepared upon completion of the travel and submitted to the travel computation office servicing the OCONUS station for payment.

061102. Transfer From PDS OCONUS

When employees transfer from OCONUS duty stations, they must submit reimbursement vouchers to the travel computation office that supports the new duty station.

061103. Returning From OCONUS Employment for Separation from the Service

A. General. Prior to departure from an OCONUS duty station, an employee who is being returned for separation for any reason must be furnished written instructions by the releasing activity on the following:

1. How to record trip itinerary,
2. Which travel expenses are reimbursable,
3. How to keep a record of these items, and
4. How to complete and sign documents that are to be forwarded for the purpose of finalizing pay and reimbursement of travel claims.

NOTE: Except as provided in subparagraph 061103.B, the OCONUS releasing activity, in conjunction with the servicing travel computation office, must process final pay and settlement of travel claims for employees who are returned for separation.

B. Navy Employees. Travel claims of the following Navy employees must be submitted to the office that supports the location to which the employee returns:

1. Employees who are returned from OCONUS for separation under overseas agreements or for purposes of retirement, and
2. Foreign nationals who are returned to their places of residence in foreign countries for separation under employment agreements or for purposes of retirement.

061104. Agreement Violation

An employee is responsible to carry out the mission for which travel is undertaken. If an employee does not report to the designated PDS, refuses to perform the mission, or resigns, the employee must reimburse the Government for all travel, transportation, and relocation expenses paid based on that service agreement including WTA and RITA. See the JTR, Chapter 5, paragraph 054913.

A. Allowance Determination. The appropriate finance office must determine an employee's travel, transportation, and relocation allowances. The entitlement determination must occur prior to processing the employee's separation. Travel, transportation, and relocation allowances previously furnished and/or to be furnished are computed by the activity where the violation occurred.

B. Statement of Liability or Credit. For each transportation agreement violation, the finance office must provide the employee with a statement of the employee's liability or credit that indicates in detail the liabilities, obligations, and credits (and an explanation of how the credits are used or applied). A copy is sent to the civilian personnel officer for inclusion in the employee's personnel folder. The employee must also be informed of the right to file a claim if he or she disagrees with the statement of liability or credit.

C. Collection. If the finance office determines that an employee is indebted to the Government, the office must immediately initiate collection action.

0612 CIVILIAN EMPLOYEE INCOME TAX WITHHOLDING

061201 Federal Withholding

[IRS Publication 15](#) states payments to employees for nondeductible moving expenses are considered supplemental wages and subject to FITW, Social Security and Medicare withholding. For more information about nondeductible moving expenses, see FTR Chapter 302, Part 302-17, [GSA Bulletin FTR 18-05](#) and [GSA Bulletin FTR 19-02](#).

061202 State, City, and County Withholding

Agencies must withhold state, city, and county income taxes from the taxable compensation of employees whose regular place of Federal employment is within a state, city, or county that has an agreement with the Secretary of the Treasury (5 U.S.C. §§ 5517 and 5520 and 31 CFR 215). The TFM, Volume 1, Part 6, Chapter 5000, Appendix 2 lists states with an agreement. The TFM, Volume 1, Part 6, Chapter 5000, [Appendix 3](#) lists cities and counties with an agreement.

0613 RELOCATION INCOME TAX ALLOWANCE (RITA)

061301. Allowance

The RITA is a 2-year, two-process calculation intended to reimburse many civilian employees for substantially all of the additional Federal, state and local tax burden associated with their relocation. See the FTR, Chapter 302, Part 302-17 for more information including eligibility criteria.

A. Year One WTA. The WTA is an estimated partial payment of the final RITA payment designed to cover FITW from the PDT moving expense reimbursement. It is intended to provide an immediate offset to the tax withheld on the payment, and is also subject to withholding. As a result, payment of WTA allows the employee to receive the same reimbursement had the withholding not been required. Federal Insurance Contributions Act (FICA) deductions are not reimbursed to the employee. To receive WTA, an employee must agree in writing to repay any excess WTA amount paid in year one. The agreement may be written on the settlement voucher or may be a separate statement. The statement must read as follows:

“I agree to repay any excess amount of WTA paid to me in year one and submit the required certified tax information. I understand failure to comply with this requirement will preclude payment of WTA. I also understand that the entire WTA is an excess payment if the RITA claim is not submitted within 120 days.”

Compute the WTA in the following manner:

1. Determine amount of covered reimbursable expense,
2. Multiply Step 1 amount by .3333 to arrive at the WTA amount,
3. Add Step 2 amount to Step 1 amount to determine the total income subject to tax,
4. Multiply Step 3 amount by .22 to determine FITW amount. Enter this amount in the appropriate block on W-2, and
5. Subtract the Step 4 amount from the Step 3 amount. This result is the net payment or net income for the employee.

B. Year Two RITA. The RITA payment must occur in the calendar year following the calendar year in which WTA is paid. An employee who does not elect WTA may still claim RITA in the calendar year following payment of travel claims.

1. RITA is based on employee's gross compensation, tax filing status, and marginal tax rates. RITA reconciles WTA payments with the employee's personal tax liability.

2. The employee must file a claim for RITA; it is not automatic. If an employee does not file for RITA in year two, he or she is liable for the additional federal income tax incurred as a result of the additional income. RITA does not cover any moving expense for which the IRS allows a deduction.

3. In some instances, when an employee files the RITA final claim in the second year, he or she is in a lesser tax bracket because of lower earned income. If the calculation of RITA results in a negative amount, do not adjust prior year or current year income. The employee is obligated to repay this amount as a debt due to the Government. A negative W-2 is not issued. NOTE: Year two is the calendar year in which RITA payment is made. The dollar value of the payment must appear on the employee's W-2 as additional income.

061302. Funding

RITA is a PDT allowance. Therefore, the reimbursable expenses of an employee transferred in the interest of the Government must be charged against the appropriation current when valid travel orders are issued. The organization responsible for the original funding of the move also has the responsibility to secure adequate funds in order to pay the adjustment vouchers.
