[*060406.](#) Duration of Authority

0605 INCENTIVE SPECIAL PAY (ISP)

060501. General Eligibility Requirements

In order to be eligible for ISP, a person must:

- A. Be a Dental Corps Officer who is an Oral And Maxillofacial Surgeon;
- B. Be below the grade of O-7;
- C. Have a current, valid, and unrestricted license or approved waiver;
- D. Have completed specialty qualification before October 1, of the fiscal year in which the officer enters into an agreement (except for cases listed in paragraph 060506);
- E. Not have received pay under sections 0611 – 0613 for the same activity, skill or period of service; and
- F. Meet the eligibility criteria of paragraph 060502 or 060503.

060502. Eligibility for Officers Serving on Active Duty for 1 Year or More

An officer on active duty, under a call or order to active duty for a period of not less than 1 year, is eligible for ISP, if the officer executes a written agreement to remain on active duty for a period of 1 year or more, beginning on the date the officer accepts the award of ISP.

060503. Eligibility for Officers Serving on Active Duty for Less than 1 Year

An officer is eligible for ISP if the officer is one of the following:

- A. A reservist called to active duty for more than 30 days but less than 1 year, other than active duty for training;
- B. An officer involuntarily retained on active duty;
- C. A retired Dental Corps Officer, recalled to active duty for more than 30 days; or
- D. An officer who voluntarily agrees to remain on active duty for less than 1 year at a time when:
 - 1. Officers are involuntarily retained on active duty; or
 - 2. The Secretary of Defense determines that special circumstances justify the payment of special pay.

NOTE: Subject to acceptance by the Secretary of the Military Department concerned, a Dental Officer must be currently credentialed and privileged at a military treatment facility in oral and maxillofacial surgery.

060504. Amount

A Dental Corps Officer, who enters into a 1 year agreement beginning on or after October 1, 2010, will be paid an ISP of \$30,000. A. Assigned to positions requiring a substantial portion of time performing military-unique duties under adverse conditions; or

B. In remote locations outside the continental United States locations; or

C. That precludes the ability to spend appropriate time in a clinical setting.

060506. Limitations

ISP will not be paid during the same fiscal year in which the qualifying residency training is completed. If the qualifying training is completed out of cycle (at a time prior to the end of June), and due to circumstances beyond the member's control, then the Surgeons General of each Military Department are delegated the authority to waive the DoD policy and grant ISP for their members during the same fiscal year in which the qualifying residency is completed. The effective date for ISP will be calculated from the completion of the qualifying training plus 3 months. This rule ensures all Dental Officers eligible for ISP are handled consistently with respect to how their eligibility date is calculated.

060507. Termination

The Secretary of the Military Department concerned will prescribe regulations to terminate an officer's entitlement to ISP. Reasons for termination may include, but are not necessarily limited to, the following:

A. Loss of privileges;

B. When no education and training ADSO exists at the time of an RB contract execution, the RB ADSO will be served concurrently with the RB contract period and all non-education and training ADSOs. If the RB contract is executed before the start date of residency training and no other education and training ADSO exists, then the RB ADSO will be served concurrently with the RB contract period. However, if the RB contract is executed on or after the start date of residency, then the General Dentist is obligated for the full residency period, and the RB ADSO will begin 1 day after the fellowship ADSO is completed. Once a General Dentist has begun to serve a RB ADSO, he or she will serve it concurrently with any existing ADSO, including obligations for other special pay agreements or medical education and training obligations incurred after the execution date for that particular RB contract.

C. Obligations for RB may be served concurrently with any other service obligation, to include IP, Board Certified Pay, promotion, non-clinical doctorate, master's degree, non-clinical doctorate or master's degree, and non-medical military schooling.

D. During the discharge of the service obligation associated with the Health Professional Loan Repayment Program (HPLRP), individuals are eligible for RB. The RB ADSO is consecutive to all HPLRP obligations.
