

MILITARY COMPOSITE STANDARD PAY AND REIMBURSEMENT RATES
FISCAL YEAR 1999

OVERVIEW

Military Service-wide military composite pay rates, when accelerated in accordance with provisions of Volume 11A of the “DoD Financial Management Regulation” (DoD 7000.14-R), are to be charged for reimbursements for services provided, as well as to be used in determining the cost of military personnel in management studies. Attached at Tabs K-2 through K-5 are the Military Composite Standard Pay and Reimbursement Rates to be used for FY 1999 for each of the Military Services. Also provided are amounts billable to non-DoD entities. The billable amounts include acceleration factors for Other Personnel Support Costs only.

The FY 1999 Military Composite Standard Pay and Reimbursement Rates are effective October 1, 1998.
