

CONTRACT ADMINISTRATION AND CONTRACT AUDIT SERVICES RATES
 FOR THE
 NATIONAL AERONAUTICS AND SPACE ADMINISTRATION
FISCAL YEAR 2002
 (EFFECTIVE DATE OCTOBER 1, 2001)

Composite hourly rates and target hour ceilings for contract administration and contract audit services to be provided by DoD activities to the National Aeronautics and Space Administration (NASA) in FY 2002 are as follows:

<u>PERFORMING</u> <u>DoD COMPONENT:</u>	RATE PER DIRECT <u>HOURLY</u>	NASA APPROVED TARGET HOURS <u>CEILING</u> ^{1/} _{2/}
Navy	\$72.64	30,000
Defense Contract Audit Agency (DCAA)	\$87.70	216,000
Defense Contract Management Agency (DCMA)	\$68.23	<u>495,000</u>
Total NASA Approved Hours		<u>741,000</u>

Notes:

- ^{1/} The Navy, DCAA and DCMA are responsible for management and further distribution of the target hours ceiling under their control.
- ^{2/} The DoD/NASA agreement requires that reimbursements earned be monitored to determine if they are in line with annual target hour ceiling. Each DoD Component is to review billings at least quarterly and report to any significant deviations from its assigned hourly target. If a component determines that the target ceiling will be exceeded, the excess hours must be coordinated with NASA. If the excess hours total, or exceed, 7 percent of the target ceiling, they must notify the Office of the Under Secretary of Defense (Comptroller)/Finance Policy to initiate an amendment to the DoD/NASA annual agreement.
