This action reprograms \$13 million from the Defense Advanced Research Projects Agency (DARPA) Biological Warfare Defense to the Chemical and Biological Defense Program within Research, Development, Test, and Evaluation, 01/02, for proper execution. This action does not change the purpose for which the funds were originally appropriated. It meets all administrative and legal requirements of the Congress and has not previously been denied by the Congress.

Explanation: In FY 2001, the Congress added \$13 million to the DARPA Biological Warfare Defense program for the continuation of Chemical and Biological Terrorism Response and Training efforts. This funding is more appropriate in the Chemical and Biological Defense Program (CBDP) as it is a continuation of a CBDP effort initiated in FY 2000.
