This reprogramming action transfers \$2.7 million from the Research, Development, Test, and Evaluation, Air Force, 05/06, appropriation to Other Procurement, Air Force, 05/07, appropriation for proper execution. This action uses general transfer authority pursuant to section 8005 of Public Law 108-287, the Department of Defense (DoD) Appropriations Act, 2005; and section 1001 of Public Law 108-375, the Ronald W. Reagan National Defense Authorization Act for FY 2005, and is determined to be necessary in the national interest. This action does not change the purpose for which the funds were originally appropriated. It meets all administrative and legal requirements of the Congress, and the Congress has not denied any of the items.

Explanation: Congress added \$2.7 million to the Research, Development, Test, and Evaluation, Air Force, 05/06, appropriation to support the purchase of ruggedized lap top computers and the associated Local Area Network. However, the funds should have been added to the Other Procurement, Air Force, 05/07, appropriation to properly purchase this support equipment in support of Air Combat Command's Point of Maintenance program.
