SUBJECT: Fiscal Year (FY) 2006 Internal Reprogramming Actions

The Department has a fiscal year 2006 Appropriations Act that was signed on December 30, 2005. Therefore, your staffs should determine what congressional adds/earmarks and/or programs that were budgeted in the wrong appropriation that need to be transferred to other appropriations for proper execution. *In addition, congressional adds/earmarks that require realignment within an appropriation, can be completed on the FY 2006 DD 1414, Base for Reprogramming Actions with proper footnotes.* Finally, you are directed to submit all internal reprogramming actions necessary to transfer funds to the correct appropriation for proper execution to the Under Secretary of Defense (Comptroller) by March 3, 2006.

Thank you for your cooperation in this matter.
