This reprogramming action is submitted for prior approval because it uses general transfer authority pursuant to section 8005 of Public Law 109-289, the Department of Defense Appropriations Act, 2007; and section 1001 of Public Law 109-364, the John Warner National Defense Authorization Act for Fiscal Year (FY) 2007. This action transfers \$1.3 million from the Military Personnel, Army, 07/07, appropriation to Drug Interdiction and Counter-Drug Activities, Defense, 07/07, appropriation. This action reprograms funds in support of higher priority items, based on unforeseen military requirements, than those for which funds were originally appropriated; and is determined to be necessary in the national interest. They meet all administrative and legal requirements, and none of the items has been denied previously by the Congress.

P.L. 109-289, Title VI	973,874	973,874	975,174

Explanation: Funding will be used to support U.S. Southern Command’s counternarcotics efforts in Central America through the construction of an infrastructure project (Blue Fields/Corn Island facility) in Nicaragua. This project will increase the interdiction capability of the Western Caribbean against the “go-fast” boat threat that is transporting cocaine to the United States.

<u>FY 2007 REPROGRAMMING DECREASE:</u>	<u>-1,300</u>		
<u>Military Personnel, Army, 07/07</u>	<u>-1,300</u>		
<u>Budget Activity 4: Subsistence of Enlisted Personnel</u>			
	3,810,702	3,601,556	3,600,256

Explanation: The Defense Logistics Agency recently implemented a business process change that provided the Army with discrete visibility over theater premium transportation charges for the Subsistence-in-Kind account. Previously, these charges were embedded in subsistence bills charged to the Military Personnel appropriation. The charges now post to the Operation and Maintenance appropriation. As a result, the Military Personnel appropriation subsistence account has an asset.
