This reprogramming action transfers \$247.0 million from the Operation and Maintenance, Defense-Wide, 08/08, appropriation to various National Guard appropriations. This transfer is in accordance with Public Law 110-116, the Department of Defense (DoD) Appropriations Act, 2008. These funds will support the deployment of up to 3,000 National Guard members to the southern border of the United States (as directed by the President). These personnel will assist the Department of Homeland Security's (DHS) Border Patrol by operating surveillance systems, building infrastructure, analyzing intelligence, and providing training. This is an interim measure until DHS has new Border Patrol agents and technologies come on line. These funds will finance the pay, allowances, and operational cost for the National Guard's Border Security operations during fiscal year (FY) 2008.
