★2102. Transfer and Disposition of Retained Disbursing Office Records

210201. Nontactical Disbursing Offices. All disbursing office records shall be transferred to the incoming (relieving) DO as a part of the relief process as prescribed in [Chapter 2](#) of this volume. When a disbursing office is being deactivated, all disbursing office records shall be packaged and mailed to the office designated to settle the accounts.

210202. Tactical Units and Naval Vessels

A. Detachment with Relief. When a DO of a tactical unit or Naval vessel is relieved from disbursing duty by another DO, the relieving DO shall retain the relieved DO's disbursing records for a period of 90 days from the date of relief. After the 90-day period, the records of the relieved officer shall be packaged and forwarded to the supporting Defense Finance and Accounting Service (DFAS) site for retention until the expiration of the 6-year 3-month retention period. If deployed, the records shall not be transferred until the unit or vessel returns to homeport and the 90-day retention requirement is met.

B. Detachment without Relief. When a DO of a tactical unit or Naval vessel is relieved from disbursing duty due to deactivation of the disbursing office (or when a vessel or unit is decommissioned from service), all disbursing office records shall be packaged and forwarded to the applicable supporting DFAS site for retention.
