

CHAPTER 14

DISCLOSURE CHECKLIST1401 GENERAL

This disclosure checklist was prepared to assist preparers of federal financial statements by providing a list of disclosures required by the Statements of Federal Financial Accounting Standards (SFFAS). It is not a comprehensive or an authoritative list of required disclosures. The standards and the other provisions of this volume provide that guidance. Furthermore, it does not address the portion of the standards that provide guidance for the recognition and measurement of information contained in the principal statements and related notes. The checklist begins by listing the SFFAS and their effective dates. It then presents each SFFAS in order, identifies the subtopic for which disclosure is required, cites the SFFAS paragraph number, refers to the section of this volume that addresses the disclosure requirement, and describes the category in which the information is to be disclosed. Use the checklist as applicable.

The following provides an explanation of the information included in the columns of the crosswalk (all balances are preclosing balances, except where noted):

- Column (1) SFFAS, represents the SFFAS that addresses the disclosure identified in column (5),
- Column (2) Subject Area, identifies the title of a subject area within one of the SFFASs,
- Column (3) SFFAS Paragraph Number., identifies the SFFASs paragraph number that addresses the disclosure contained in column (5),
- Column (4) Volume 6B Chapter, identifies the chapter in Volume 6B of this Regulation that addresses the disclosure identified in column (5),
- Column (5) Disclosure Requirement, identifies the specific disclosure requirements,
- Column (6) Financial Statements, an “X” or comment in this column indicates the disclosure is contained on one of the principal statements.
- Column (7) Footnote, an “X” or comment in this column indicates the disclosure is contained on one of the footnotes,
- Column (8) Required Supplementary Stewardship Information (RSSI), an “X” or comment in this column indicates the disclosure is contained on one of the RSSI section of the financial statements,
- Column (9) Required Supplementary Information (RSI) & Other Accompanying Information (OAI), an “X” or comment in this column indicates the disclosure is contained on one of the RSI sections or in the OAI section of the financial statements.
