The agreement will provide that, consistent with the needs of the Armed Service concerned, the person executing the agreement will be assigned to duty, for the period of obligated service covered by the agreement, as an officer of the Dental Corps of the Army or the Navy or an officer of the Air Force designated as a dental officer.

060202. Amount. The Secretary of the Military Department concerned may award an accession bonus to an eligible individual in an amount not to exceed \$75,000. 0604 INCENTIVE SPECIAL PAY (ISP)

\* 060401. General Eligibility Requirements. In order to be eligible for Incentive Special Pay (ISP), a person must:

- A. Be a Dental Corps Officer who is an oral and maxillofacial surgeon;
- B. Be below the grade of O-7;
- C. Have a current, valid, and unrestricted license or approved waiver;
- D. Have completed specialty qualification before October 1, of the fiscal year in which the officer enters into an agreement (except for cases listed in paragraph 060406);
- E. Not receive pay under sections 0610 – 0612 for the same activity, skill or period of service; and
- F. Meet the eligibility criteria of paragraph 060402 or 060403.

\* 060402. Eligibility for Officers Serving on Active Duty for 1-Year or More. An officer on active duty under a call or order to active duty for a period of not less than 1-year is eligible for ISP if the officer executes a written agreement to remain on active duty for a period of 1 year or more beginning on the date the officer accepts the award of ISP.

\* 060403. Eligibility for Officers Serving on Active Duty for Less than 1-Year. An officer is eligible for ISP if the officer is one of the following:

A. A reservist called to active duty for more than 30 days but less than 1 year, other than active duty for training;

B. An officer involuntarily retained on active duty under Title 10 United States Code (U.S.C.) 12305;

C. A retired dental corps officer recalled to active duty for more than 30 days under 10 U.S.C. 688; or

NOTE: Subject to acceptance by the Secretary of the Military Department concerned, a dental officer must be currently credentialed and privileged at a military treatment facility in oral and maxillofacial surgery.

\* 060404. Amount. A Dental Corps Officer who enters into a 1-year agreement beginning on or after October 1, 2010 will be paid an ISP of \$30,000. \* 060405. Exception. The Secretary of the Military Department concerned may approve recommendations for ISP payments to fully qualified oral and maxillofacial surgeons assigned to positions requiring a substantial portion of time performing military-unique duties under adverse conditions or in remote outside the continental United States locations or that preclude the ability to spend appropriate time in a clinical setting.

\* 060406. Limitations. ISP will not be paid during the same fiscal year in which the qualifying residency training is completed. If the qualifying training is completed out of cycle (at a time prior to the end of June), and it is not the fault of the officer, then the Surgeons General are delegated the authority to waive the DoD policy and grant ISP during the same fiscal year in which the qualifying residency is completed. The effective date for ISP will be calculated from the completion of the qualifying training plus 3 months. This keeps all dental officers eligible for ISP consistent with respect to how their eligibility date is calculated.
