1. Change paragraph 90208a(2)(see Interim Change R9-98 for the most recent change affecting this subparagraph) to read as follows:

"(2) An SBP participant who is eligible to discontinue participation sends a written request to the DFAS-Cleveland Center on DD Form 2656-2. A request for information or a request for termination that is not on DD Form 2656-2 is not a request to discontinue.

(a) A married participant may not discontinue spouse coverage without the spouse's written concurrence, unless it is established that the spouse's whereabouts cannot be determined, or that, due to exceptional circumstances, obtaining the spouse's consent would be inappropriate. In exceptional circumstances, such as mental or physical incapacitation of the spouse, DFAS requires the appropriate documentation, such as a physician's statement, which attests to the spouse's mental or physical incapacitation. Additionally, the incapacity must exist continuously since the date of the member's request.

(b) If the SBP participant is providing former spouse coverage based on a court order, an amended court order should accompany the request, even if the former spouse concurs with the request."
