Pay Cap Calculation (DFAS Item D-32)

This is interim change R9-94 to the DoDFMR, Vol 7B. The effective date of this change is February 4, 1994.

We have evaluated your comments on the draft change to the DoDFMR, Vol 7B. The attached final version of the change includes your comments where appropriate. Assignment of an interim change number is your authority to initiate a procedural modification to facilitate this change.

We have determined that this policy change does not require a change to the current pay system. Centers are advised to make DFAS Headquarters (FM) an information addressee on implementing field procedures. For the Denver Center, use the attached to initiate the formal printed change to the DoDFMR.

1. Revise paragraph 20119c to read:

"c. The full base pay of the civilian position is retained. The amount of civilian pay used in this determination includes, for members employed by the Legislative Branch, temporary pay increases, even though they may be intended as bonuses. If the amount of pay (not including locality pay) for the civilian position combined with retired pay exceeds the rate of pay currently paid for positions classified at Level V of the Executive Schedule, a reduction is required in retired pay. See Table 2-1-9 for Executive Schedule Level V rates and dates."
