This transfer does not change the purpose for which the funds were originally appropriated. <p><u>Explanation:</u> These funds are required to execute the Department's Civil Military Programs and will cover costs associated with Active Duty for Training, travel, and applicable statutory allowances for the Army National Guard. These funds were originally reprogrammed from the Operation and Maintenance, Defense-Wide, FY 1999, appropriation into the National Guard Personnel, Air Force, FY 1999, appropriation by Reprogramming Action FY 99-004 IR dated January 4, 1999. Shortly thereafter, the Air National Guard was required to cancel their participation in this project, and the Army National Guard agreed to perform the effort. This reprogramming request is necessary to realign these funds to the appropriate appropriation so that this project can be executed.</p>
