<p>For a number of years, prior Air Force members have been accessed as new Active Guard Reserve (AGR) members without the appropriate update to their service code (SC). The Defense Finance &amp; Accounting Service (DFAS) uses the SC code to determine which appropriation will bear the military personnel expenses. In January 1999, DFAS began charging the National Guard Personnel, Air Force, FY 1999, appropriation instead of the Military Personnel, Air Force, FY 1999, appropriation for 665 AGR members. This realignment is therefore required to pay for 665 Air National Guard AGR members in the proper appropriation.</p>
