<p>This internal reprogramming action requires the use of general transfer authority pursuant to section 8005 of Public Law 105-262, the FY 1999 Department of Defense Appropriations Act; and section 1001 of Public Law 105-261, the FY 1999 National Defense Authorization Act. This action transfers \$14.0 million from Research, Development, Test and Evaluation (RDT&amp;E), Defense-Wide, 99/00, to Procurement, Defense-Wide, 99/01, in order to properly execute the funds in accordance with congressional direction. This action does not change the purpose for which the funds were originally appropriated nor does it adversely affect the Portal Shield Air Base Port Advanced Concept Technology Demonstration (ACTD) effort. This action meets administrative and legal requirements of the Congress and has not previously been denied by Congress. This action does not affect Tactical Intelligence and Related Activities (TIARA), Joint Military Intelligence Programs (JMIP), or the National Foreign Intelligence Program (NFIP). This action will be reflected in the FY 2000/2001 President's budget.</p>

<p><u>Explanation:</u> The Portal Shield transfer is required as a result of congressional direction to use procurement funding for ACTD systems intended for operational use. This internal reprogramming action supports procurement of 70 Portal Shield biological detection sensors in response to an urgent need from the Commanders in Chief (CINCs) of U.S. Central and Pacific Commands.</p>
