<p>This internal reprogramming action transfers \$2,250.3 million from the Overseas Contingency Transfer Fund to the Components' FY 1999 Operation and Maintenance (O&M) appropriations. The purpose of this reprogramming action is to transfer these funds to the appropriate O&M appropriations to meet the most urgent contingency requirements consistent with the provisions and authority enacted by Public Law 105-262, the FY 1999 DoD Appropriations Act, and Public Law 105-277, the FY 1999 Omnibus Consolidated and Emergency Supplemental Act. This realignment does not change the purpose for which the funds were originally appropriated.</p>
