<p>Public Law 105-174, the FY 1998 DoD Emergency Supplemental Appropriations Act, provided \$6.7 million in Operation and Maintenance, Defense-Wide, 98/99, for National Imagery and Mapping Agency (NIMA) requirements. This internal reprogramming action realigns the funding from Operation and Maintenance, Defense-Wide, 98/99, to Research, Development, Test, and Evaluation, Defense-Wide, 98/99, for proper execution. This transfer does not change the purpose for which the funds were originally appropriated. This action uses general transfer authority pursuant to section 8005 of Public Law 105-56, the FY 1998 DoD Appropriations Act, and section 1001 of Public Law 105-85, the FY 1998 National Defense Authorization Act. This action affects the National Foreign Intelligence Program (NFIP); it does not affect Joint Military Intelligence Programs or Tactical Intelligence and Related Activities. This action is not reflected in the FY 1999 President's budget request.</p>								
REPROGRAMMING INCREASE:						+6,700
