<u>Explanation:</u> Funds were provided to the Air Force from the Operational Rapid Response Transfer Fund in FY 99-056 IR for LINK-16 Communication and Rosetta Gateway Advanced Concept Technology Demonstration (ACTD) deployment and communications interoperability for data link systems. Further review of the use of these funds indicated that these funds are more appropriately executed in other appropriations for the same purpose. The reprogramming complies with the Department's intended use of the funds, as indicated to the Congress in the Department's August 2, 1999 notification letter.
