This reprogramming action transfers \$8.0 million of previously transferred counter-drug funds from Other Procurement, Air Force (OPAF), 00/02, to Aircraft Procurement, Air Force (APAF), 00/02. This transfer does not change the purpose for which the funds were originally appropriated. These funds continue to support counter-drug programs. This actions uses general transfer authority, pursuant to section 8005 of Public Law 106-79, the DoD Appropriations Act, 2000; and section 1001 of Public Law 106-65, the National Defense Authorization Act for FY 2000. This action meets all administrative and legal requirements of the Congress and has not previously been denied by the Congress. Realignment of funds between counter-drug projects may be accomplished only with prior approval of the Office of the Under Secretary of Defense for Policy, Drug Enforcement Policy and Support (DEP&S).

Explanation: These funds were transferred from the Drug Interdiction and Counter-Drug Activities, Defense appropriation to the OPAF appropriation for the procurement of Forward Looking Infrared (FLIR) sensors and related equipment on DoD Tracker aircraft. These funds, however, should have been transferred to the APAF appropriation because this effort involves the modification of an aircraft.
