This internal reprogramming action transfers funds from Aircraft Procurement, Air Force, 00/02, to Research, Development, Test, and Evaluation (RDT&E), Air Force, 00/01. This action uses general transfer authority pursuant to section 8005 of Public Law 106-79, the DoD Appropriations Act, 2000, and section 1001 of Public Law 106-65, the National Defense Authorization Act for FY 2000. This action does not change the purpose for which the funds were originally appropriated. It meets all administrative and legal requirements of the Congress and has not previously been denied by the Congress. This action involves a congressional special interest item.

Explanation: In FY 2000, the Congress added funds for additional configuration testing for F-16 flight envelope expansion for the 600-gallon fuel tank program in the Aircraft Procurement appropriation. This effort is more appropriately financed in the Research, Development, Test, and Evaluation appropriation. This action therefore transfers the funds to the RDT&E appropriation for proper execution.
