This reprogramming action is submitted for prior approval because it uses general transfer authority, pursuant to section 8005 of Public Law 106-259, the Department of Defense Appropriations Act, 2001; and section 1001 of Public Law 106-398, the Floyd D. Spence National Defense Authorization Act for FY 2001. The action transfers \$9.484 million from the DoD Components' Operation and Maintenance accounts to the Procurement, Defense-Wide, 01/03, appropriation to re-distribute a portion of a \$20.0 million congressional reduction that was inadvertently applied against the Procurement, Defense-Wide, 01/03 appropriation. This action meets all administrative and legal requirements of the Congress and has not previously been denied by the Congress.
