This reprogramming action transfers \$8.5 million from Research, Development, Test, and Evaluation, Air Force, 05/06, appropriation to Research, Development, Test, and Evaluation, Army, 05/06, appropriation for proper execution. This action uses general transfer authority pursuant to section 8005 of Public Law 108-287, the DoD Appropriations Act, 2005; and section 1001 of Public Law 108-375, the Ronald W. Reagan National Defense Authorization Act for FY 2005, and is determined to be necessary in the national interest. This action does not change the purpose for which the funds were originally appropriated. This action meets all administrative and legal requirements of the Congress and has not been previously denied by Congress.
