Explanation: On June 23, 2004, the Vice Chairman of the Joint Chiefs of Staff signed a memorandum designating the Defense Information Systems Agency (DISA) as the lead component for the Collaborative Force Analysis, Sustainment and Transportation System (CFAST). The corresponding transfer of FY 2005 resources from the Joint Staff to DISA was approved in Program Budget Decision 704 (DISA-04). This reprogramming action implements that decision.
