This reprogramming action transfers \$3.4 million from Operation and Maintenance, Army National Guard, 05/05, appropriation to Other Procurement, Army, 05/07, appropriation for proper execution. This action uses general transfer authority pursuant to section 8005 of Public Law 108-287, the Department of Defense (DoD) Appropriations Act, 2005; and section 1001 of Public Law 108-375, the Ronald W. Reagan National Defense Authorization Act for Fiscal Year (FY) 2005, and is determined to be necessary in the national interest. This action does not change the purpose for which the funds were originally appropriated. It meets all administrative and legal requirements of the Congress and the items have not previously been denied by the Congress.

Explanation: The FY 2005 DoD Appropriations Act provided \$3.4 million for Rural Access to Broadband Technology (Multimedia Security Technology). These funds were placed in the Operation and Maintenance, Army National Guard, 05/05, appropriation. This amount exceeds the threshold for this type of expenditure in Operation and Maintenance, Army National Guard; therefore, this action realigns the funds to the correct appropriation for proper execution.
