This reprogramming action is submitted for prior approval because it exceeds thresholds and initiates a new start. This action uses special transfer authority pursuant to section 1001 of Public Law 109-13, Emergency Supplemental Appropriations Act for Defense, the Global War on Terrorism and Tsunami Relief, 2005. This action transfers \$.947 million from the Procurement, Defense-Wide, 05/07, appropriation to the Operation and Maintenance, Defense-Wide, 05/05, appropriation and realigns \$61.025 within the Procurement, Defense-Wide, 05/07, appropriation for classified requirements. This action reprograms funding in support of higher priority items, based on unforeseen military requirements, than those for which originally appropriated; and is determined to be necessary in the national interest. It meets all administrative and legal requirements and none of the items have previously been denied by the Congress.
