This reprogramming action realigns funds between appropriations for proper execution. Reclassification is required to execute funds properly in accordance with congressional intent. These actions are determined to be necessary in the national interest. These actions do not change the purpose for which the funds were originally appropriated. This reprogramming action meets all administrative and legal requirements, and none of the items has previously been denied by the Congress.

Part I of this reprogramming action transfers \$65.859 million among the various Defense appropriations. This reprogramming action uses \$44.845 million of general transfer authority pursuant to section 8005 of Public Law 109-148, the Department of Defense, Emergency Supplemental Appropriations to Address Hurricanes in the Gulf of Mexico, and Pandemic Influenza Act, 2006; and section 1001 of Public Law 109-163, the National Defense Authorization Act for FY 2006.

Part II of this reprogramming action transfers \$13.1 million from the Other Procurement, Air Force, 06/07, appropriation to the Operation and Maintenance, Air Force, 06/06, appropriation. These funds are transferred under the authority of section 9003 of Public Law 109-148, the Department of Defense, Emergency Supplemental Appropriations to Address Hurricanes in the Gulf of Mexico, and Pandemic Influenza Act, 2006.

Part III of this reprogramming action transfers \$5.084 million from the Operation and Maintenance, Defense-Wide, 06/06, appropriation to the Services' Military Personnel, 06/06, appropriations for the Department's Innovative Readiness Training (IRT) Civil Military Programs. These funds are transferred under the authority of section 8061 of Public Law 109-148, the Department of Defense, Emergency Supplemental Appropriations to Address Hurricanes in the Gulf of Mexico, and Pandemic Influenza Act, 2006.
