This reprogramming action is submitted for prior approval because it uses general transfer authority pursuant to section 8005 of Public Law 110-116, the Department of Defense Appropriations Act, 2008; and section 1001 of Public Law 110-181, the National Defense Authorization Act for Fiscal Year (FY) 2008. This reprogramming action restores funding to the source appropriations that were approved in FY 08-18 PA, Army Military Personnel Requirements. This action reprograms funding in support of higher priority items, based on unforeseen military requirements, than those for which funds were originally appropriated; and is determined to be necessary in the national interest. It meets all administrative and legal requirements, and none of the items has been denied previously by the Congress.
