This reprogramming action is submitted for prior approval because it uses general transfer authority and exceeds established thresholds. This reprogramming action transfers \$72.0 million from the Research, Development, Test, and Evaluation, Air Force, 08/09, appropriation to Operation and Maintenance, Air Force, 08/08, appropriation to finance increased fuel cost. This reprogramming action uses \$72.0 million of general transfer authority pursuant to section 8005 of Public Law 110-116, the Department of Defense (DoD) Appropriations Act, 2008 and section 1001 of Public Law 110-181, the National Defense Authorization Act for Fiscal Year (FY) 2008. This action reprograms funds in support of higher priority items, based on unforeseen military requirements, than those for which originally appropriated; and are determined to be necessary in the national interest. It meets all administrative and legal requirements and none of the items has been previously denied by the Congress.
