SUBJECT: Omnibus Reprogramming Action for Fiscal Year (FY) 2009

I am requesting the submission of your FY 2009 Omnibus Reprogramming requirements, to include National Intelligence Program (NIP) and Military Intelligence Program (MIP), to this office by May 15, 2009. The NIP and MIP requirements should be submitted separately and will be processed as a separate request. Your submission must identify sources to offset the requested increases. In order to ensure the full consideration of your requests, your explanations for both increases and decreases need to be succinct, informative of the programmatic adjustment, clear, concise, and net to zero. Thorough justifications will expedite the review of your proposals by this office and the congressional committees. Each requirement should explain the need for additional funding and the impact to the program if funds are not provided. Each source should explain why funds are available and the impact on the program. If a Component does not have any requirements a negative response is required. This will be the final multiple sourced reprogramming action for FY 2009.

Components are reminded that the line item nomenclature must be the same as what is shown on the DD 1414, Base for Reprogramming Actions, and the funding and quantities must be consistent with the funding and quantities shown on the DD 1416, Report of Programs as of March 31, 2009. The Omnibus reprogramming action must show quantity adjustments for those programs that show quantities on the DD 1414, Base for Reprogramming Actions, and DD 1416, Report of Programs.

I do not intend to request reconsideration of denied increases, nor do I intend to submit alternate sources for denied sources, except in the most unusual circumstances.

My point of contact (POC) for this action is Brian Snyder, Brian.Snyder@OSD.mil, 697-0022. Your unclassified PDF file transmittal memorandum and electronic copy of the DD 1415-1 should be e-mailed to Brian.Snyder@OSD.mil and classified information e-mailed to Brian.Snyder@OSD.SMIL.mil.

Consistent with the Financial Management Regulation, Volume 2A, Chapter 1, Paragraph 010110, we will jointly review resources for the Combatant Commands. My POC for these reviews is Joe Draudt, Joseph.Draudt@OSD.mil, 697-2559. In addition, the Program/Budget Directorates may request additional information to support their review of the Omnibus reprogramming action request.
