This reprogramming action is submitted for prior approval because it initiates a **new start** and uses general transfer authority pursuant to section 8005 of Public Law 110-329, the Consolidated Security, Disaster Assistance, and Continuing Appropriations Act, 2009; and section 1001 of Public Law 110-417, the Duncan Hunter National Defense Authorization Act for Fiscal Year (FY) 2009. This action transfers \$50.060 million from the Procurement of Weapons and Tracked Combat Vehicles, Army, 09/11, appropriation to the Other Procurement, Army, 09/11, appropriation for the Land Warrior. It reprograms funding in support of higher-priority items, based on unforeseen military requirements, than those for which the funds were originally appropriated; and is determined to be necessary in the national interest. This action meets all administrative and legal requirements, and none of the items has been denied previously by the Congress.

<u>FY 2009 REPROGRAMMING INCREASE:</u>	<u>+50,060</u>	
<u>Other Procurement, Army, 09/11</u>	<u>+50,060</u>	
<u>Budget Activity 3: Other Support Equipment</u>		
Land Warrior	-	50,060

Explanation: This reprogramming provides one battalion Land Warrior capability for Special Operations Reconnaissance and Communications (SORC) to support Operation Iraqi Freedom (OIF) pursuant to an approved operational need statement. This capability will give the Special Forces battalion commander visibility of small teams as they accompany Iraqi Security Forces. It will greatly aid Soldiers with long-range fires and MEDEVAC support and will increase the operational effectiveness and range of the unit. Additionally, as the OIF drawdown progresses, support to Quick Reaction Forces and enhanced situational awareness will be necessary to cover expanded areas of responsibility. The Special Operations Reconnaissance and Communications is a value-added, situational awareness multiplier that will significantly boost operational effectiveness in Iraq. The Land Warrior is a terminated program and requires a **new start** notification.
