This reprogramming action transfers funds between appropriations for proper execution. The reclassification is required to execute funds properly in accordance with congressional intent. These actions are determined to be necessary in the national interest. These actions do not change the purpose for which the funds were originally appropriated. This reprogramming action meets all administrative and legal requirements, and none of the items has been previously denied by the Congress.

This reprogramming action transfers \$29.972 million among various Defense appropriations. This reprogramming action uses \$12.182 million in general transfer authority pursuant to section 8005 of Public Law 111-118, the Department of Defense (DoD) Appropriations Act, 2010; and section 1001 of Public Law 111-84, the National Defense Authorization Act for Fiscal Year (FY) 2010.
