This reprogramming action realigns \$57.435 million within the Aircraft Procurement, Air Force, 11/13, appropriation for proper execution. The reclassification is required to execute funds properly in accordance with congressional intent. This action is determined to be necessary in the national interest. This reprogramming action meets all administrative and legal requirements, and none of the items has been previously denied by the Congress. These funds were appropriated in Division A of Public Law 112-10, the Department of Defense (DoD) Appropriations Act, 2011.

Explanation: Funds are available because funds requested for the Advance Targeting Pod - Sensor Enhancement for infrared detection, classification, and tracking in an electronic attack environment were requested in the incorrect procurement line item. The funds were requested and approved in the FY 2011 Omnibus reprogramming action (FY 11-21-R PA) in the Other Aircraft procurement line item within the Aircraft Procurement, Air Force, 11/13, appropriation. Funds need to be realigned to the Other Production Charges line item for proper execution.
