This reprogramming action is submitted for prior approval because it uses general transfer authority pursuant to section 8005 of division C of Public Law 114-113, the Department of Defense (DoD) Appropriations Act, 2016; and section 1001 of Public Law 114-92, the National Defense Authorization Act for Fiscal Year (FY) 2016. This action transfers \$16.250 million from the Other Procurement, Air Force, 16/18, appropriation to the Procurement, Defense-Wide, 16/18, appropriation. This action reprograms funding in support of higher priority items, based on unforeseen military requirements, than those for which originally appropriated; and is determined to be necessary in the national interest. It meets all administrative and legal requirements and none of the items has been previously denied by the Congress. This reprogramming impacts the **Military Intelligence Program (MIP)**.
