This reprogramming action reflects a Functional Transfer of the Sharkseer Cybersecurity program from the National Security Agency (NSA) to the Defense Information Systems Agency (DISA) in accordance with authorities in Title 10, United States Code section 126. This reprogramming action realigns funds within the Operation and Maintenance, Defense-Wide, 19/19, appropriation for proper execution in accordance with section 1641(a) of Public Law 115-232, the John S. McCain National Defense Authorization Act for Fiscal Year (FY) 2019. These actions are determined to be necessary in the national interest. These actions do not change the purpose for which the funds were originally appropriated. This reprogramming action meets all administrative and legal requirements, and none of the items has been previously denied by the Congress.
