This reprogramming action transfers funds between appropriations for proper execution. The reclassification is required to execute funds properly in accordance with congressional intent. These actions are determined to be necessary in the national interest. These actions do not change the purpose for which the funds were originally appropriated. This reprogramming action meets all administrative and legal requirements, and none of the items has been previously denied by the Congress.

This reprogramming action transfers \$119.520 million from the Operation and Maintenance, Defense-wide, X appropriation to the Defense Working Capital Fund, Defense (DWCF,D) pursuant to section 165(c) of the Continuing Appropriations Act, 2022, as amended by Public Law 117-86 and by section 8150 of the Department of Defense Appropriations Act, 2022, division C of Public Law 117-103. These funds are provided for the Secretary of Defense to conduct activities in compliance with the State of Hawaii Department of Health Order 21-UST-EA-02, signed December 6, 2021, related to the removal of fuel from and improvement of infrastructure at the Red Hill Bulk Fuel Storage Facility (RHBFSF). This is a congressional special interest item.

FY 2022 REPROGRAMMING INCREASE: **+119,520**

Defense Working Capital Fund, Defense, X **+119,520**

Defense Logistics Agency (DLA) **+119,520**

Explanation: These funds are required in the DWCF, D appropriation to support maintenance and repair efforts to ensure that the RHBFSF is ready for a safe defueling process and short-term fuel capacity to facilitate the defueling process. These efforts will include maintenance/repairs necessary to ensure that the fuel can be moved through pipelines/infrastructure to vessel loading or replenishment at Joint Base Pearl Harbor-Hickam (JBPHH), the personnel to manage the development of the repair projects, and short-term storage to provide storage during repairs.
