This prior approval reprogramming action is submitted for approval because these actions exceed established reprogramming thresholds and indicates a new start. This reprogramming action provides funding in support of higher priority items, based on unforeseen military requirements, than those for which originally appropriated; and are determined to be necessary in the national interest. They meet all administrative and legal requirements, and none of the items have previously been denied by the Congress.

This reprogramming action realigns $20.223 million within the Other Procurement, Air Force, 21/23, appropriation and $11.0 million within the Research, Development, Test, and Evaluation, Air Force, 21/22, appropriation.
