This reprogramming action transfers funds between appropriations for proper execution. The reclassification is required to execute funds properly in accordance with congressional intent. These actions are determined to be necessary in the national interest. These actions do not change the purpose for which the funds were originally appropriated. This reprogramming action meets all administrative and legal requirements, and none of the items has been previously denied by the Congress.

This reprogramming action transfers \$3.959 million between Air Force appropriations. This reprogramming action uses \$3.959 million of general transfer authority pursuant to section 8005 of division C of Public Law 117-103, the Department of Defense (DoD) Appropriations Act, 2022; and section 1001 of Public Law 117-81, the National Defense Authorization Act for FY 2022.

Explanation: Funds are required to acquire software licenses needed for the Foundational Logistics Information Technology Enterprise System (FLITES). The FLITES program presently is in development and will replace a suite of legacy item management control systems. Software requirements for development of information technology systems are financed by Research, Development, Test and Evaluation (RDT&E), Air Force (RDT&E, AF) appropriations.
