This reprogramming action transfers funds between appropriations for proper execution. This reprogramming is required to execute funds properly in accordance with congressional intent and determined to be necessary in the national interest. These actions do not change the purpose for which the funds were originally appropriated and meet all administrative and legal requirements. None, of the items has been previously denied by the Congress. This reprogramming impacts the Military Intelligence Program (MIP).

This reprogramming action realigns \$5.00 million within the Research, Development, Test, and Evaluation, Army 23/24, appropriation.
