This prior approval reprogramming action is submitted for approval because these actions use general or special transfer authority, exceed established reprogramming thresholds, affect special interest items, or initiate a new start. This reprogramming action provides funding in support of higher priority items, based on unforeseen military requirements, than those for which originally appropriated; and are determined to be necessary in the national interest. They meet all administrative and legal requirements, and none of the items have previously been denied by the Congress.

PART I of this reprogramming action realigns \$92.09 million within the Operation and Maintenance, Army 23/23, appropriation pursuant to the Additional Ukraine Supplemental Appropriation of 2023 (Public Law (P.L.) 117-328).

PART II of this reprogramming action realigns \$7.172 million within the Operation and Maintenance, Army 23/23, appropriation pursuant to the Additional Ukraine Supplemental Appropriation of 2023 (P.L. 117-180).

PART I
