This reprogramming action transfers funds within appropriations for proper execution. The reclassification is required to execute funds properly in accordance with congressional intent. These actions are determined to be necessary in the national interest. These actions do not change the purpose for which the funds were originally appropriated. This reprogramming action meets all administrative and legal requirements, and none of the items has been previously denied by the Congress.

This reprogramming action transfers or realigns \$20.0 million within and between Defense appropriations. This reprogramming action uses \$7.0 million of general transfer authority pursuant to section 8005 of division C of Public Law 117-328, the Department of Defense Appropriations Act, 2023 and section 1001 of the James M. Inhofe National Defense Authorization Act for Fiscal Year 2023, Public Law 117-263.
