This reprogramming action transfers \$30.345 million from Procurement of Ammunition, Navy and Marine Corps 23/24 back to the Operation and Maintenance, Defense-wide 23/24. This reprogramming action transfers funds back to the Operation and Maintenance, Defense-wide, 23/24, appropriation from amounts originally transferred to various Navy appropriations as part of the August 29, 2023, FY 23-62 IR (Tranche #15) internal reprogramming action. These actions are determined to be necessary in the national interest. These actions do not change the purpose for which the funds were originally appropriated. This reprogramming action meets all administrative and legal requirements, and none of the items has been previously denied by the Congress.

The current reprogramming is pursuant to authority in title II of division M of Public Law 117-328, the Additional Ukraine Supplemental Appropriations Act, 2023, under the heading "Operation and Maintenance, Defense-Wide." A determination has been made that all or part of the funds transferred to the Navy are not necessary for the purpose provided under such heading. The transfer authority is in addition to any other transfer authority to the Department of Defense.
