This reprogramming action provides funding for the replacement of defense articles from the stocks of the Department of Defense and for the reimbursement of defense services of the Department of Defense provided to the Government of Ukraine or identified and notified to Congress for provision to the Government of Ukraine. Replacement efforts include facilitization, to include factory improvements and the procurement of production equipment and tooling, to accelerate the production of replacement items in support of munitions provided to the Government of Ukraine. This action is determined to be necessary in the national interest. This reprogramming action meets all administrative and legal requirements, and none of the items have been previously denied by the Congress.

This reprogramming action transfers \$5,105.020 million from the Operation and Maintenance, Defense-Wide, 24/25, appropriation to various Defense appropriations pursuant to the funding appropriated in division B of Public Law 118-50, the Ukraine Security Supplemental Appropriation Act, 2024.

The transfer authority provided with the replacement funding in Public Law 118-50 is in addition to any other transfer authority available to the Department of Defense.

<u>FY 2025 REPROGRAMMING INCREASES:</u>	<u>+5,105,020</u>	
<u>ARMY INCREASES</u>	<u>+4,332,441</u>	
<u>Operation and Maintenance, Army, 25/25</u>	<u>+49,892</u>	
<u>Budget Activity 01: Operating Forces</u>	<u>+24,235</u>	24,235

Explanation: Funds are required for the reimbursement of transportation services, replacement of body armor, and reimbursement of miscellaneous repair parts and supplies related to CBRNE gear, weapons, communications equipment, and other equipment components provided to Ukraine or identified and notified to Congress through this reprogramming action for provision to the Government of Ukraine in support of the international effort to counter Russian aggression. This is a congressional special interest item. This is an emergency budget requirement.
