^{1/} Reflects the "war-related" estimated costs from FY 2001 to FY 2020. These amounts exclude non-Department of Defense classified programs.

^{2/} Each return filed by a single individual, including returns with filing status Single, Married Filing Separately, and Head of Household, is counted as one taxpayer and each return with Joint filing status is counted as two taxpayers. Source: Statistics of Income, Internal Revenue Service, March 2020.

^{3/} Estimated costs for Afghanistan include related regional costs that support combat operations in the U.S. Central Command area of responsibility.

^{4/} Estimated costs for Iraq and Syria are reported as part of Operation INHERENT RESOLVE (OIR). Prior to 2014, costs are for activities in Iraq alone.

^{5/} Reflects estimated obligations by the fiscal year incurred from 2001-2020. Source: Estimate of Cost of War Report, Department of Defense, September 2020.
