FOREWORD

Volume 2 of the Department of Defense Financial Management Regulation is issued under the authority of DoD Instruction 7000.14, "DoD Financial Management Policy and Procedures" which governs financial management by establishing and enforcing requirements, principles, standards, systems, procedures, and practices necessary to comply with financial management statutory and regulatory requirements applicable to the Department of Defense. It identifies financial management requirements, systems, and functions for all appropriated, nonappropriated, working capital, revolving, and trust fund activities. In addition, it identifies statutory and regulatory financial reporting requirements.

This volume of the Regulation establishes procedures for DoD Components to use in budget presentation and formulation and applies to the Office of the Secretary of Defense, the Military Departments, the Joint Staff, the Unified Combatant Commands, the Inspector General of the Department of Defense, the Defense Agencies, and the DoD Field Activities (hereafter referred to collectively as "DoD Components").

This update is effective immediately and is mandatory for use by all DoD Components. Heads of DoD Components shall ensure that the provisions of this Volume are adhered to in day-to-day operations and in the design, modification, and maintenance of their Component's financial management and reporting system or systems. The Heads of DoD Components shall not issue supplementary directives and/or regulations without the prior written approval of the Office of the Under Secretary of Defense (Comptroller).

The reporting requirements in this Regulation are exempt from licensing in accordance with paragraph E.4.f. of DoD 8910.1-M, "DoD Procedures for Management of Information Requirements," November 1986.

Forward recommended changes to this Volume of the Regulation through channels to the address below. Submit requests for deviations from or exceptions to specific standards, with justification, to:

Office of the Under Secretary of Defense (Comptroller)  
Director for Plans and Systems  
1100 Defense Pentagon  
Washington, DC 20301-1100
